The BONZINI Advantage:

- Over 50 years experience in manufacturing table-football games.
- Official table of the AFBF and the 1998 and 2002 World Cup of Table-Soccer Championships.
- Telescopic rods, which eliminates the "spearing effect" common in most other brands.
- Corporate website that provides up to date information on promotional and tournament events.

Bonzini France

The "Bonzini" name has been synonymous for quality construction and elegant design of table-football games for over 50 years. Created in 1929, Bonzini has become the French industry leader in the market of high quality table-football games for residential, commercial and business advertisement use. Bonzini supplies 85% of the French markets needs with expanding global markets increasing yearly. Bonzini table-football games can be enjoyed in over 60 countries and is the official table of the Association Francaise de Baby-foot (AFBF). Only the finest raw materials and stringent quality controls measures are used to construct a Bonzini product. Bonzini table-football games are being enjoyed worldwide in both leisure and competitive play. Enjoy your next match with a Bonzini.

Bonzini U.S.A.

On November 15th 1998, Cribbs Incorporated was granted the privilege of becoming the exclusive U.S. distributor of the Bonzini France product line of table-football games. A subsidiary of Cribbs Inc., to be named Bonzini U.S.A., was formed to act as an independent liaison for the U.S. foosball market. Our organization is comprised of foosball players of varied skill levels with talented business backgrounds. To date, we are the only player owned and operated importer and distributor of foosball tables in the U.S. Simply put, we are our own consumer and understand the needs of both residential and commercial markets. Bonzini U.S.A. offers not only one of the most popular foosball tables in the world, but also a shared understanding of the consumer's desires and enjoyment of the game.
